THE LATEST NEWS FROM

December 2023

If anyone among you thinks he is religious, and does not bridle his tongue but deceives his own heart, this one's religion is useless. Pure and undefiled religion before God and the Father is this: to visit orphans and widows in their trouble, and to keep oneself unspotted from the world. James 1.26-27

New creatures in Christ have new speech, serve others and live separate from the sinful world.
